PROFESSIONAL SUMMARY

CEO at Cloud Gen Solution | Founder at Lumiwore | Officer IT Incharge at Hayat School & College (Main Campus)

I am a passionate IT professional with a **BS in Information Technology** from the **University of Sindh**, complemented by a **one-year IT diploma**. My expertise spans **Web & App Development, WordPress Development, Graphic Design, Video Editing, and Programming** (Java, C, C++, Python). I specialize in **Flutter Development** and am a **master in FlutterFlow**, alongside skills in **ethical hacking, cybersecurity, cloud computing, and social media management**.

As the **CEO of Cloud Gen Solution**, I lead a team providing **online IT training**. I also established **Lumiwore**, a luxury watch brand in Pakistan with an online store. Additionally, I have experience as an **Amazon Virtual Assistant**.

With **over 2 years of experience as a Computer Science Lecturer** at **Preston Education System**, where I also served as **IT Incharge**, I now hold the positions of **Officer IT Incharge at Hayat School & College (Main Campus)**. My roles in **IT management, and online teaching** continue to shape my journey, as I actively contribute to IT education, project guidance, and professional development.
